Newsletter February 2013

Dear All,

We are now well into the New Year and our resolution is to find more Volunteers to help out with our groups at the centre; so if you can spare an hour or two every so often please do get in touch.

We hope you find this first newsletter of 2013 interesting and if there is any topic you would like to share with us please do let us know.

We look forward to seeing you at some of our groups very soon.

Get Reading/ World Book Day Events

As part of our work on reading and literacy, we have been working collaboratively with all Weybridge Schools on a 'Get Reading' project, which aims to promote and support reading and literacy activities across the ages and as such we will host a morning of special activities at the centre. Please look out for other special "Get Reading" events taking place at all the schools up to and including World Book Day which is Thursday 7th March 2013 and come in to collect your World Book Day token.
