

A Sure Start Children's Centre

'Caring for each other, Sharing with each other, Learning together'

Welcome to our March newsletter

Dear all,

Isn't it great that soon the clocks will be going forward and Spring is finally on its way.

The Children's Centre has recently invited service users to send in their feedback. If you haven't had a chance to do so yet please could you spare a moment to drop us a line to let us know what services you have used and any comments you have regarding them.

We certainly love our work and Weybridge families seem to enjoy visiting our Centre which has been highlighted recently by the fact that we have reached a mile stone by adding our 1000th family to our register. Best Wishes

Daphne and The Children's Centre Team
